

K-LOVE serves me as a resident of my local community by advertising local events in addition to national events. The effect on our local community if K-LOVE were to be displaced by an LPFM broadcaster would be terrible. There are no other stations like K-LOVE. K-LOVE's focus on providing family-friendly programming is not replacable. The service provided by K-LOVE is in the public interest because there are no other radio stations out there like it. It's slogan "Positive, Encouraging" says it all. I can leave it on and not worry what my kids are going to hear. Please don't risk taking K-LOVE away from my family.
